

YORK METROLOGY LIMITED

Quality Policy Statement

It is the policy of **York Metrology Limited** to meet customer requirements and enhance their satisfaction with our products and overall service by operating all of our processes under controlled conditions.

We also confirm our commitment to non-discriminatory, anti corruption, anti bribery, protection of personal data incorporating GDPR.

Our quality policy and quality management system have been established by our top management considering the strategy and context of the organisation, and are subject to regular management review to guarantee continuing suitability, efficiency and effectiveness.

This policy is deployed through our quality management system that has been established, documented and implemented to fully conform to ISO 9001, customer-specific, applicable law and regulatory requirements as they apply to our products services.

The system is maintained and continually improved through the setting, monitoring and reviewing of our quality objectives, data analysis, internal auditing, problem solving, corrective and preventive actions, physical and human resource requirements, and management review. Changes in the governing standards and regulatory/contractual requirements are assessed and incorporated on an on-going basis.

Personnel are provided with instruction to assure their understanding of the company quality policy and objectives to enable them to competently carry out their work. They are given access to quality management system documentation and are made aware of relevant procedures and/or job instructions.

The necessary infrastructure and work environment is provided and maintained to ensure conformity to product and regulatory requirements.

We are committed to fostering close relationships with customers and we strive to meet the expectations of other interested parties.

This policy is communicated internally and is available to all interested parties.
